Contact ODHH if you know of deaf-friendly financial services in Maryland that should be on this list! [gov.odhh@maryland.gov](mailto:gov.odhh@maryland.gov)

It is ODHH's vision that all Maryland citizens who are deaf, hard of hearing or deafblind will have equal and full access to resources, services and opportunities for participation in all aspects of community life. If you see ODHH use the term "deaf," that includes deaf, hard of hearing, and deafblind citizens, unless explicitly stated otherwise. That term is inclusive of all members of our community.

Pursuant to statutory authorization, the Governor's Office of the Deaf and Hard of Hearing (ODHH) serves as an information clearinghouse on the needs and issues affecting deaf and hard of hearing individuals and provides this information as a service to the community.

**ODHH does not endorse the goods or services of the organizations on this list.**
